## WHOSE GARDEN WAS THIS?

by Tom Paxton

Whose Garden Was This?
It must have been lovely.
Did it have flowers?
I've seen pictures of flowers,
And I'd love to have smelled one!

Whose river was this?
You say it ran freely?
Blue was its color?
I've seen blue in some pictures,
And I'd love to have been there!
Tell me again,
I need to know:
The forest had trees,
The meadows were green,
The oceans were blue,
And the birds really flew,
Can you swear that was true?

Whose Garden Was This?
It must have been lovely,
Did it have flowers?
I've seen pictures of flowers,
And I'd love to have smelled one!

Whose gray sky was this?
Or was it a blue one?
Nights there were breezes?
I've heard records of breezes,
And you tell me you felt one.
Tell me again,
I need to know:
The forest had trees,
The meadows were green,
The oceans were blue,
And birds really flew,
Can you swear that was true?

Changing Over From 1971 To —

— A NEW BREED
OF
CAT
IN
1972!

tiger paw
volume II

He's a RESTLESS SPIRIT,

more wild and free,
seeking to change,
challenge and overwhelm
the traditional world with
his unquenchable zest for
"LIFE."

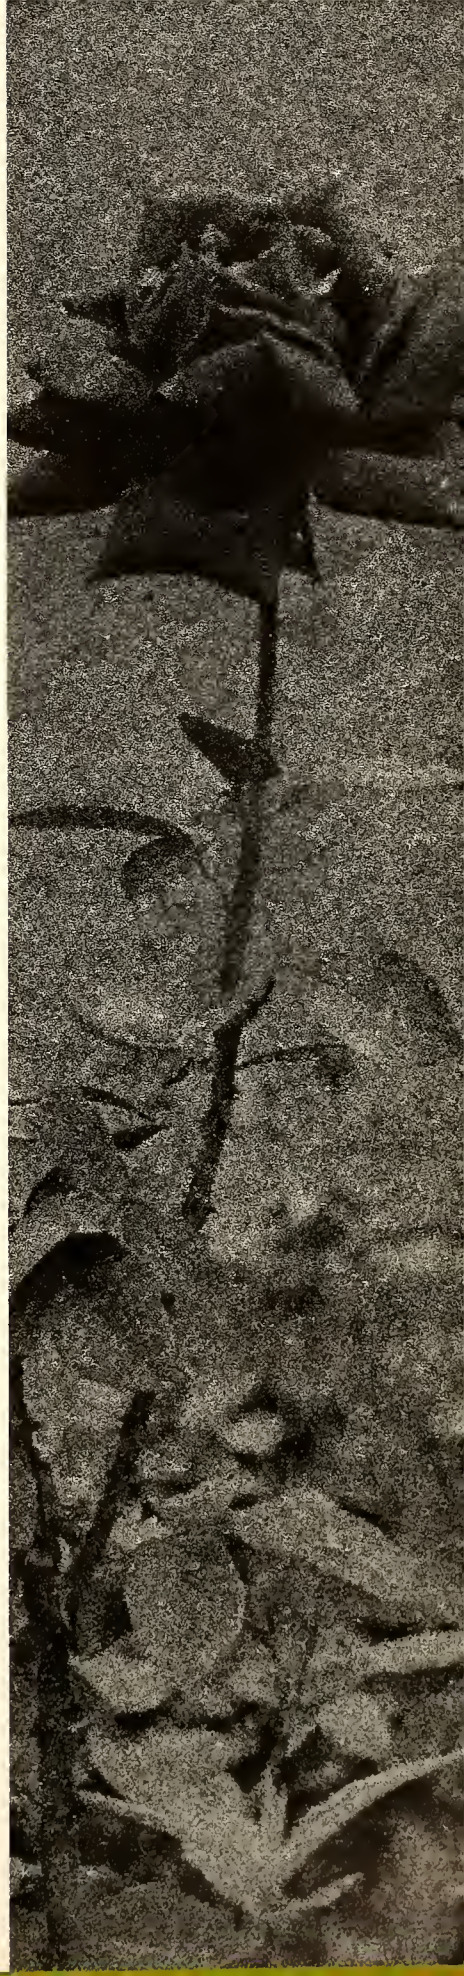
# ECOLOGY IS LIFE!

The "restless O.S.H. spirit" dedicates his life to changing the traditional, polluted world.

Ecology is alive and existing at Oakville Senior High School! It was begun by an enthusiastic group of students belonging to TIGER PAW--'71 by initiating plans for our center courtyard with the assistance of Keller Nursery. Other clubs participated during this first year. Student Council, Pep Club, Photography Club, German Club, French Club, Science Club, Chorus, Band, TIGERISM, and TIGER PAW--'72 all contributed money and services in completing our present plans. Included this year was the planting of 400 red and yellow tulips. Thus, with these projects, we leave behind a part of ourselves to encourage others into service.

We hope that this symbolic example strongly reminds the "restless spirit" within Oakville Senior High School students to vigorously forge ahead in ecological pursuits in their personal lives. Ecology should become a part of our daily living habits. ECOLOGY IS YOU! Thus, we DEDICATE this 1972 yearbook to the cause of ecology in hopes that it becomes YOUR cause, too.



The Queen candidates watch retiring King & Queen, Jack Guccione & Jan Blum, take a final bow.

TIGER PAW Presented its second annual Valentine dance coronation on Febuary 11 to the strains of Romeo & Juliet's "A Time for Us" by the band, BIRTH.

"... AND I'D LOVE TO HAVE SMELLED ONE!"

## WHOSE GARDEN WAS THIS?

by Tom Paxton

Whose Garden Was This?
It must have been lovely,
Did it have flowers?
I've seen pictures of flowers,
And I'd love to have smelled one!

Whose river was this?
You say it ran freely?
Blue was its color?
I've seen blue in some pictures,
And I'd love to have been there!
Tell me again,
I need to know:
The forest had trees,
The meadows were green,
The oceans were blue,
And the birds really flew,
Can you swear that was true?

Whose Garden Was This?
It must have been lovely,
Did it have flowers?
I've seen pictures of flowers,
And I'd love to have smelled one!

Whose gray sky was this?
Or was it a blue one?
Nights there were breezes?
I've heard records of breezes,
And you tell me you felt one,
Tell me again,
I need to know:
The forest had trees,
The meadows were green,
The oceans were blue,
And birds really flew,
Can you swear that was true?
